## **PROJECT**

5<sup>TH</sup> June **World Environment Day**. To paste the picture of World Environment Day on a chart paper.

Class 5

Let's make an animal puzzle!

You will need:

- Ice cream sticks\*
- Cello tape
- Markers
- Colours

Here's how you can make the puzzle.

Lay about 10 ice cream sticks on a flat surface, one next to the other.

Number the sticks and join them using a cello tape, as shown.

Turn the sticks over to draw a picture of an animal.

Colour the picture using poster colours.

Remove the cello tape and shuffle all the sticks.

Can you try to put your drawing back in order without looking at the numbers behind?

Also try making a bird puzzle.

(\* material provided)
